2. The Government of India will be *prepared to bear half the expenditure involved.* Their contribution being met from the over-all grants to Provinces for development.

Yours faithfully,
M. R. Kothandaraman,
Asst Secy.

No. 7-27/48 Res.

DIRECTORATE-GENERAL OF HEALTH SERVICES.

New Delhi, dated 26th July 1948.

Subject.—Special short courses in (i) M. & C. W., (ii) Industrial Hygiene, (iii) Nutrition, and (iv) Laboratory Techniques at the All Indian Institute of Hygiene and Public Health, Calcutta,

MEMORANDUM.

The following special short courses will be held at the All India Institute of Hygiene and Public Health, Calcutta:—

Short Courses	Duration	Date on which course will start
Maternity and Child Welfare	... 3 months ...	January, 1949.
Industrial Hygiene	... 3 months ...	4th October, 1948.
Nutrition	... 3 months ...	Do
Laboratory Techniques	... 6 months ...	Do

2. A sum of Rs. 25 will be charged as tuition fees for the course in Maternity and Child Welfare and Rs. 150 for the other three courses. In addition a refundable caution money deposit of Rs. 100 will be payable for the courses in Industrial Hygiene, Nutrition and Laboratory Techniques Candidates with approved War service are exempted from payment of tuition fees. In case of Laboratory Technicians course Ex-service candidates joining the course are also granted a maintenance allowance of Rs. 55 per mensem. The question regarding the grant of such allowances to candidates joining other three courses is at present under consideration in this Directorate-General.

3. Applications stating age, community, province, educational and other qualifications must reach the Director, All India Institute of Hygiene and Public Health, 110, Chittaranjan Avenue, Calcutta, 12, not later than the 1st September 1948, in respect of short courses on Industrial Hygiene, Nutrition and Laboratory Techniques and 1st December 1948 for the course on Maternity and Child Welfare. War service candidates, who are interested to join the course, should apply through the Administrative Medical Officers or other medical authorities of their Province/State so as to ensure that they are considered by them for the grant of financial concessions admissible to War service people joining the courses.

4. Details of these courses are given in the undermentioned advertisement.

5. The information may be brought to the notice of ex-service personnel.

R. Viswanathan, For Director.

ADVERTISEMENT.

The special courses detailed below will be given at the All-India Institute of Hygiene and Public Health, Calcutta, commencing from 4th October, 1948.

1. *Special course in Maternity and Child Welfare.*—Candidates for admission should be either Graduates or Licentiates in Medicine from a recognised Medical College or School, and shall have had 1½ years experience since qualifications. Preference will be given to candidates who have (*a*) held a post in Maternity and Child Welfare Service, or (*b*) held a resident post in a Children's Hospital or Children's Ward in a General Hospital. The course is open only to Medical women.

2. *Special Course in Industrial Hygiene.*—The course is designed to provide training to medically qualified persons intending to become members of the staff of medical service in a industrial organisation or industrial bureau of Public Health Departments. Candidates for admission should be either Graduates or Licentiates in medicine from a recognised Medical College or School. Preference will be given to candidates sponsored by an employer such as Industrial Concerns. Railways, Provincial Governments, Indian States, etc.

3. *Special Course in Nutrition.*—The course is designed to meet the growing need for Public Health Workers trained in Nutrition. Candidates for admission should be either Graduates or Licentiates from a recognised Medical College or School. Non-medical personnel associated in Public Health Work are also eligible for admission.

4. *Special Course in Laboratory Techniques.*—This course is intended for training technicians suitable for employment in bacteriological laboratories. An I.Sc. of an Indian University or its equivalent or a Matriculate with previous experience in laboratory work will be eligible for admission to the course.

5. All the above courses are of 3 months duration excepting that in Laboratory Techniques which is a 6 months course. Successful candidates, on completion of the course, will be awarded a certificate of competency.

6. A sum of Rs. 25 will be charged as tuition fee for the course in Maternity and Child Welfare and Rs. 150 for the other three courses. In addition a refundable caution money deposit of Rs. 100 is payable for the courses in Industrial Hygiene, Nutrition and Laboratory Techniques. Candidates with approved War service are, however exempted from payment of tuition fees. A limitted number of seats may be available in the hostel for which a separate application should be submitted.
